LEGISLATIVE DEPARTMENT.

THE following Bill was introduced and read in the Council of the Lieutenant-Governor of Bengal on the 6th January, 1900, and is hereby published for information, together with a Statement of Objects and Reasons:—

A

BILL

To amend Bengal Act I of 1869 (*an Act for the prevention of cruelty to animals*).

WHEREAS it is expedient to amend Bengal Act I of 1869 (*an Act for the prevention of cruelty to animals*);

It is hereby enacted as follows:—

Insertion of section 5A in Bengal Act I of 1869. 1. After section 5 of the said Act the following shall be inserted, namely:—

“5A. (1) The Local Government may, by ^[Cf. Act XI of 1890, s. 6, sub-sections (2) to (6).] general or special order, appoint places to be infirmaries ^{(6).]} for the treatment and care of animals in respect of which offences against this Act have been committed.

(2) The Magistrate before whom a prosecution for such an offence has been instituted may direct that the animal in respect of which the offence is alleged or proved to have been committed shall be sent for treatment and care to an infirmary and be there detained until it is, in his opinion, or in the opinion of some other Magistrate, again fit for the work or labour on which it has been ordinarily employed.

(3) The cost of the treatment, feeding and watering of the animal in the infirmary shall be payable by the owner of the animal according to such scale of rates as the District Magistrate or, in the case of an infirmary in a Presidency town, the Commissioner of Police, may from time to time prescribe.

(4) If the owner refuses or neglects to pay such cost and to remove the animal within such time as a Magistrate may prescribe, the Magistrate may direct that the animal be sold and that the proceeds of the sale be applied to the payment of such cost.

(5) The surplus, if any, of the proceeds of the sale shall, on application made by the owner within two months after the date of the sale, be paid to him; but the owner shall not be liable to make any payment in excess of the proceeds of the sale."

STATEMENT OF OBJECTS AND REASONS.

THE object of this Bill is to introduce into Bengal Act I of 1869 provisions similar to those contained in sub-sections (2) to (6) of section 6 of the Prevention of Cruelty to Animals Act, XI of 1890, so as (a) to admit of animals which have been cruelly used being sent to an infirmary under the order of the convicting Magistrate, and (b) to provide for the recovery from the owners of such animals of the cost of their treatment in the infirmary.

It is proposed to appoint the Veterinary College at Belgatchia to be an infirmary to which such animals may be sent from the city or suburbs of Calcutta.

Bills of the Bengal Council.

GOVERNMENT OF BENGAL.

LEGISLATIVE DEPARTMENT.

THE DARJEELING MUNICIPAL BILL.

THE following Report of the Select Committee, together with the Bill as amended by them, is, by order of the President, published for general information:—

REPORT OF THE SELECT COMMITTEE ON THE DARJEELING MUNICIPAL BILL.

WE, the undersigned, Members of the Select Committee appointed to consider the Bill to amend the Bengal Municipal Act, 1884, in its application to Darjeeling, have considered the Bill and the papers noted in the margin, and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto.

Report of Committee appointed under Bengal Government Resolution No. 4901M., dated 3rd October, 1899, and Appendices [Papers No. 1].
From Commissioner, Rajshahi Division, No. 731M., dated 15th November, 1899, and enclosures; to ditto, No. 5230M., dated 2nd December, 1899 [Papers No. 2].
Present rules as to construction of houses in Darjeeling [Paper No. 3].
The Bengal Municipal Act, 1884, as modified by subsequent legislation and by the Darjeeling Municipal Bill [Paper No. 4].
Note by Mr. A. Earle, Deputy Commissioner, Darjeeling, dated the 17th December, 1899 [Paper No. 5].
Proceedings of Special Meetings of Darjeeling Municipal Commissioners, held on 15th and 16th December, 1899; Joint Report made by Mr. S. H. Shaw and Mr. W. F. Stuart Menteith, on the 7th and 10th December, 1899, respectively; Remarks recorded by Mr. G. L. Searight, Executive Engineer, on Special Duty, dated Darjeeling, the 23rd December, 1899 [Papers No. 6].
Telegram to Deputy Commissioner, Darjeeling, dated 2nd January, 1900; ditto from ditto, dated 4th January, 1900 [Papers No. 7].

2. *Section 2 (Act, section 1A).*—We have added the words “within the Darjeeling District” to make it quite clear that the Act may not be extended under the power given by this section to any area outside Darjeeling.

3. *Section 6 (Act, section 132A).*—We have made an addition to subsection (2) to authorise the Commissioners to extend the period originally prescribed for complying with a requisition or order issued by them.

4. By section 7 of the Bill as introduced in Council, it was proposed to add a proviso to section 184 of the Act declaring that no suit should be instituted in any Civil Court to contest liability to pay any expenses under any of the clauses enacted by the Bill. We have struck out the section because we see no reason for barring the application of the ordinary law in this matter.

5. *Sections 9, 16 and 20 (Act, sections 201C, 244E, 244G, 244Q and 351C).*—In sections 201C (3), 244E (2), 244G, 244Q (2) and 351C, giving powers of inspection to the Municipal Commissioners, we have added words to make it clear that such inspections may be made by an officer authorised for the purpose by the Commissioners. We have at the same time provided—

(1) that, in the case of inspections under sections 244E (2) and 244Q (2), only the Municipal Engineer may be so authorised, and

(2) that, in the case of inspections under section 351C, only officers in receipt of a salary of not less than fifty rupees *per mensem* may be so authorised.

6. *Section 10 (Act, section 207).*—We have made an addition to subsection (4) to authorise the Commissioners to extend the period prescribed by the Bill for removing stones or trees which have fallen on a public road or drain.

7. *Section 13 (Act, section 224A).*—An addition has been made, at the suggestion of the Municipal Commissioners of Darjeeling, to enable the Local Government to define the limits of any natural drainage line.

8. *Section 16 (Act, section 240).*—In the Bill as introduced in Council, it was declared that applications for permission to erect, re-erect or materially alter a masonry or framed building should be sent in within three months after approval to the site had been obtained. We have extended the period to six months, because it might be inconvenient to an applicant to have to submit his building plans within three months, and we consider that a period of six months might safely be allowed.

9. *Sections 16 and 18 (Act, sections 242 and 244K).*—We have added clauses to authorise the commencement of building work on receipt of the orders of the Appellate Engineer, where an appeal or reference has been made to him.

A consequential addition has been made to section 244S, clause (a), and section 272C, clause (a).

10. *Section 16 (Act, sections 244A and 244N).*—These sections authorise an applicant to refer to the Appellate Engineer if the Municipal Commissioners unduly delay dealing with an application for permission to build. We have provided that such references should be made within six months after the expiration of the period within which the Commissioners are required by the Bill to pass orders on the application.

11. *Section 16 (Act, section 244P).*—It was provided in the Bill as introduced that permission to erect, re-erect or materially alter a hut should lapse if not acted upon within three months. We have extended the period to six months, thus harmonising section 244P with section 244D, relating to masonry or framed buildings.

12. *Section 16 [Act, sections 244S (2), 244T (1), 244X and 244Y]*—We have substituted the words “the Magistrate” for the words “a Magistrate,” so as to obtain the benefit of clause (8) of section 6 of the Act, which defines the expression “the Magistrate” as including the District Magistrate, the Sub-divisional Magistrate and any Magistrate to whom the District Magistrate may make over any duties under the Act.

13. *Section 16 [Act, section 244T (1)]*.—We have substituted the words “on an application made” for the words “on an application to be made,” as we consider that the Commissioners should not be empowered to require the stopping of building work unless an application has actually been made to a Magistrate for an order for demolition or alteration.

14. *Section 16 (Act, sections 244X (1) and 244Y (1))*.—We have added a proviso to these sections, similar to the proviso to section 244S, directing the Magistrate to give owners and occupiers full opportunity of adducing evidence and of being heard in defence before making an order prohibiting the use of an unfit building for human habitation or requiring the abatement of overcrowding in a building or room.

15. *Section 16 [Act, section 244Y (1)]*.—In the Bill as introduced, the Magistrate was empowered to require the owner of a building or room to abate overcrowding within a reasonable time, not exceeding four weeks, to be prescribed in his order. We have struck out the words “not exceeding four weeks,” as we consider that it would be best to leave the fixing of the period entirely to the discretion of the Magistrate.

16. *Section 16 (Act, section 244Z)*.—We have added a sub-section authorizing the Commissioners in meeting to make rules prescribing the dimensions and slope of roof-gutters, the dimensions of down-pipes, and the angles at which bends in down-pipes are to be made.

17. *Section 17 (Act, section 248D)*.—An amendment has been made to admit of the Commissioners constructing, repairing, etc., a revetment, retaining-wall or toe-wall on any private land abutting on a public revetment or retaining wall.

18. *Section 18 (Act, sections 272A and 272B)*.—The fines for a first offence have been reduced in the following cases:—

sections 201E, 201G, 224C, 227 and 248E	...	from Rs. 500 to Rs. 250.
sections 224E (1), 244F and 244V (2)	...	from Rs. 100 to Rs. 50.
section 244Q (1) and section 244V (1), so far as it relates to huts	...	from Rs. 50 to Rs. 25.

The fines for a subsequent offence have been reduced in the following cases:—

sections 201E, 201G, 224C and 227	...	from Rs. 100 to Rs. 50.
section 244V (1), so far as it relates to huts	...	from Rs. 10 to Rs. 5.
section 244V (2)	...	from Rs. 20 to Rs. 10.

A column has been inserted in the tables appended to sections 272A and 272B, giving the subject of each of the clauses mentioned in column 1 of those tables.

19. *Section 20 [Act, section 351D (1)]*.—We have struck out the words “of higher rank than an Executive Engineer,” because it will not always be practicable to secure the services of a Superintending Engineer or a Chief Engineer to hear appeals under the Bill.

20. *Section 20 (Act, section 351H)*.—We have struck out the sub-section which declared that the decision of the Engineer or the Commissioner of the

Division on appeals preferred to him under the Bill should be final. This amendment is consequential upon the removal of section 7 of the Bill as introduced in Council, which is explained in paragraph 4, *supra*.

We have, at the instance of the Municipal Commissioners of Darjeeling, added two sub-sections to section 351H. The first of these new sub-sections requires the Engineer to state in writing the grounds on which he decides any reference made to him under the Bill, and the second provides for all orders on appeals or references being communicated to the appellant or the person who made the reference.

SCHEDULE A.

21. We have struck out rule 5 of Schedule A to the Bill as introduced in Council (as to the fencing of private roads), as it appears to be outside the scope of the Bill.

22. We have also struck out rule 10 of the same Schedule (prohibiting the covering of private bridges with metalling or soil), as we hardly consider it necessary to enact any such rule.

SCHEDULE C.

23. *Rule 1.*—We have inserted a definition of “party wall,” taken from the new Calcutta Municipal Act.

24. *Rule 13.*—This rule, providing for a damp-proof course for masonry or framed buildings, is new. It is inserted at the suggestion of the Municipal Commissioners of Darjeeling, and is taken from the new Calcutta Municipal Act.

25. *Rule 18 (1).*—A clause has been added, at the suggestion of the Municipal Commissioners of Darjeeling, declaring that, except with the written permission of the Commissioners, no external wall of a dwelling-house shall be less than three feet from the toe of any bank or retaining wall. The object of the clause is to secure ventilation and to prevent retaining walls being used as the walls of a house.

26. *Rule 20.*—We have revised this rule so as to allow as an alternative the construction of inner rooms provided with sky-lights and roof ventilation.

27. We recommend that the Bill, as now amended, be passed.

Bills of the Bengal Council.

GOVERNMENT OF BENGAL.

LEGISLATIVE DEPARTMENT.

The following Report and Bill are, by order of the President, published for general information:—

REPORT OF THE SELECT COMMITTEE ON THE BILL TO AMEND BENGAL ACT I OF 1899 (*Cruelty to Animals*).

WE, the undersigned, Members of the Select Committee to which the Bengal Cruelty to Animals Bill was referred, have considered the Bill and the paper noted in the margin, and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto.

Letter from the Secretary to the Calcutta Society for the Prevention of Cruelty to Animals, dated the 14th February, 1900 (Paper No. 1).

2. It is recommended by the Calcutta Society for the Prevention of Cruelty to Animals that a wider definition of "animal" should be inserted in Bengal Act I of 1869, in place of the definition contained in section 1 of that Act. The inadequacy of the latter definition was also noticed by the High Court in the case of *Tulsi Bewa* or *Soshi Bewa*, 1 Calcutta Weekly Notes, 643. We have added a section to the Bill, introducing the definition of "animal" contained in the Prevention of Cruelty to Animals Act, XI of 1890.

3. We have, at the instance of the Calcutta Society for the Prevention of Cruelty to Animals, inserted in the Bill a new section, which we recommend should be substituted for section 5 of Bengal Act I of 1869. The new section reproduces sub-section (1) of section 6 of the Prevention of Cruelty to Animals Act, XI of 1890, which is wider in its terms than section 5 of the Act of 1869, and raises from Rs. 50 to Rs. 100 the penalty for employing an animal unfit for labour.

4. We have also, at the instance of the same Society, incorporated in the Bill, as section 5A, section 4 of the Act of 1890, imposing a penalty for practising the operation known as *phuka*. Section 4 of the Act of 1890 is already in force in the Town and Suburbs of Calcutta, by virtue of the notification of the Government of Bengal dated the 7th April, 1891; but, as is pointed out by the Society, that Act does not authorise the arrest of offenders without a warrant. The effect of incorporating the section in question in the Act of 1869, as proposed by the Bill as now amended, will be to admit of the police, in exercise of the power conferred by section 1 of Bengal Act III of 1869, arresting persons found practising *phuka*, without first obtaining a warrant from a Magistrate. This we consider necessary because every endeavour should be made to stop persons from performing the exceedingly cruel operation abovenamed, and the existing procedure, so we gather, is not sufficient for the purpose.

5. In section 5B (= section 5A of the Bill as introduced in Council) we have made the following amendments:—

- (1) the words "alleged or" have been omitted from sub-section (2), because we consider that the power to send an animal to an infirmary should only be exerciseable when an offence against the Act has been proved;
- (2) the words "or in the opinion of some other Magistrate" have been omitted from the same sub-section as being indefinite: if the object of the words in question was merely to authorise the removal of an animal from an infirmary by order of a successor to the Magistrate who directed the animal to be sent to the infirmary, that object is attained by section 19 of the Bengal General Clauses Act, 1899;
- (3) for the words "a Magistrate" in sub-section (4) we have substituted the words "the Magistrate referred to in sub-section (1)," in order to secure greater clearness.

6. We have added a section giving a short title to the Bill and a collective short title to the Bill and the two Acts of 1869.

7. We think it right to mention that the new sections 5 and 5A in the Bill, as amended, go beyond the scope of the Bill referred to us, as explained in the Statement of Objects and Reasons.

“5B. (1) The Local Government may, by general or special order, appoint places to be infirmaries for the treatment and care of animals in respect of which offences against this Act have been committed.” [Cf. Act XI of 1890, s. 5, sub-sections (2) to (6).]

(2) The Magistrate before whom a prosecution for such an offence has been instituted may direct that the animal in respect of which the offence is proved to have been committed shall be sent for treatment and care to an infirmary and be there detained until it is, in his opinion, again fit for the work or labour on which it has been ordinarily employed.

(3) The cost of the treatment, feeding and watering of the animal in the infirmary shall be payable by the owner of the animal according to such scale of rates as the District Magistrate or, in the case of an infirmary in a Presidency town, the Commissioner of Police, may from time to time prescribe.

(4) If the owner refuses or neglects to pay such cost and to remove the animal within such time as the Magistrate referred to in sub-section (1) may prescribe, such Magistrate may direct that the animal be sold and that the proceeds of the sale be applied to the payment of such cost.

(5) The surplus, if any, of the proceeds of the sale shall, on application made by the owner within two months after the date of the sale, be paid to him; but the owner shall not be liable to make any payment in excess of the proceeds of the sale."
